INSTITUTE FOR PRINCIPLE STUDIES

***Reaching the World***

Relativism, atheism, socialism, and totalitarianism. These are the ideologies that are taught throughout our media and our schools. For most of the 20th century, Christians offered little resistance to these philosophies, especially among the intellectuals in education and the media. But now the Institute for Principle Studies and a small number of Christian think-tanks are gaining a seat at the table of academic debate, providing sound reason, thorough research, and biblical principle.

***Discipling the Church***

Does the Bible have answers to the problems that face our world today?

Modern Christians confidently answer “yes” to this general question, but most of us fall short when asked to provide biblically-principled answers to specific issues. The Institute is training Christians to understand, defend, and advocate the biblical worldview.

By training teachers, mentoring students, offering classes to the public, and engaging academicians, the Institute for Principle Studies is taking back our society for Christ and His principles. IPS is discipling the saints of the church, and changing hearts and minds in the world.

*Come and see what is being accomplished in the name of Christ.*

You will be encouraged and refreshed with renewed optimism for the future.

## ARE YOU READY FOR SOMETHING DIFFERENT?

Join us for a scrumptious dessert followed by an exciting evening celebrating and testing your knowledge of what made America great.

You and your team (a table of 8 people) will match wits against other teams on questions of American government, history, and economics. This will be an exciting evening of knowledge and trivia in a fun, fast-paced, game-show atmosphere. Attend the IPS Civics Challenge and discover just how interesting government, history, and economics can be!

You can put together your own team to occupy a table of eight or, if you prefer, we can place you on a team.

We will present a wide variety of multiple choice civics questions and your team will collectively select answers, which will then be tabulated and added to your team's score. Real-time results will be displayed showing how each team is doing in the standings. We will even have experts available to assist your team—for a price!

*Each member of the winning team will be awarded a \$100 gift certificate to Galletto Ristorante in downtown Modesto (\$800 per team).*

*Each member of the second place team will be awarded a \$50 gift certificate to Dewz Restaurant in downtown Modesto (\$400 per team).*

*Each member of the third place team will be awarded a \$30 gift certificate to Fuzio Universal Bistro in downtown Modesto (\$240 per team).*
