

The Institute for Principle Studies Presents

FIRST LOOK 2022

A Topic Conference on the Stoa Team Policy Debate Resolution

This Is Not A Typical Debate Camp!

There are no lectures on debate theory, no lab groups, and no practice rounds. The focus is on learning about the resolution.

Debaters at NITOC have regularly quoted experts who have spoken at prior First Look conferences. This is your best opportunity to interact with experts on the foreign policy topic—experts who everyone will be quoting this debate season.

Don't miss this chance to see and hear our nation's experts clash on the European policy debate!
